

ACODE Executive Officer Report November 2016 ACODE 72.

The Exec have met on 7 occasions since ACODE 70 online and are always working hard for you.

Our accounts have been audited and I am pleased to say that they are happy with the way we are conducting our accounts.

The audited accounts are online for you to view.

The ACODE/Pearson TEL awards have taken up a considerable amount of time and we are happy to announce the winner at the ICDE dinner Next Tuesday night.

I would also like to thank our judges for the enormous effort in judging the 40 entries. Helen Carter, Peter Nikolettatos and Geoff Scott.

We have a few outstanding memberships for 2017 but they are in hand and being reminded to pay. We only have 1 institution that will not be a member in 2017

Planning is underway for the Benchmarking Summit in the UK in June 2017 with both Stephen Marshall and Michael Sankey attending.

So another year draws to a close Thank you all for your support during 2016.
