

ACODE Executive Officer Report March 2017

Welcome to a new year and extremely busy year.

If you have looked at the website lately you will see that all our upcoming meetings for 2017 are listed and we are going to be everywhere.

I am pleased to say that 2018 meeting places are also organised so keep a look out for them.

Our accounts are in the hands of the auditors and I am hoping that the accounts will be back by the end of the month so that the Annual Report can be completed.

If anyone has anything that they would like to add to the annual report please send it to me.

Our Exec has had one meeting this year online and then again prior to ACODE 73 face to face.

We are planning for the ACODE/Pearson award again this year so please keep an eye out for that information.

THETA planning is well underway and drawing close 7-10 May in Auckland, please mention this to all your colleagues and register your attendance.

The Exec have approved an upgrade with Catalyst to Moodle 3.0 and I can report that that is in production and Catalyst are testing now.

I am looking forward to a full and busy year.

Karen Halley
Executive Officer
1st March 2017
